1. INTRODUCTION & PURPOSE

Welcome to Hanuman Healing — a guided group meditation experience designed to support personal reflection, inner awareness, and holistic well-being. In this session, a group of trained meditators will gather with focused intention to support your healing process, holding a meditative space on your behalf while you rest quietly and comfortably. This practice is open to people of all backgrounds and does not require any particular religious belief or spiritual affiliation.

2. NATURE OF THE SESSION

- Before the session you will be invited to share your concerns or intentions. This is voluntary.
- During the session you will lie down in a calm, quiet setting while mediators participate in a guided meditation focused on your well-being.
- Mediators may experience intuitive impressions, sensations, imagery, or insights during the meditation — these are their personal subjective experiences.
- After the session, mediators will share their observations and the facilitators will collectively reflect on these insights.
- Suggestions or guidance may be offered. You are free to receive, consider, or set aside any insights shared.

3. VOLUNTARY PARTICIPATION

Your participation in this session is entirely voluntary. You have the right to withdraw or stop at any point before, during, or after the session — without explanation and without any negative consequence.

4. NON-MEDICAL DISCLAIMER

- Hanuman Healing is a spiritual and wellness practice only. It is not a medical treatment, psychological therapy, or professional counseling service.
- This session does not constitute medical, psychiatric, psychological, therapeutic, or clinical advice of any kind.
- The insights and suggestions shared are not diagnoses, treatment plans, or medical recommendations.
- If you are experiencing a medical condition, mental health concern, or personal crisis, please consult a licensed physician or appropriate care provider.

5. CONFIDENTIALITY

- Personal information you share will be treated with discretion and respect by all facilitators and mediators present.
- Your information will not be shared outside of the healing circle without your written consent.
- Anonymized insights may be discussed for internal learning — but your name and identifying details will not be used.

6. CONSENT TO SHARE INSIGHTS

- The insights shared by mediators are their personal subjective experiences and are not presented as objective facts, predictions, or professional guidance.
- You have complete freedom to receive, interpret, or disregard any insights offered.
- The facilitators' collective reflection is offered in the spirit of care and support — not as authoritative direction.

7. EMOTIONAL RESPONSIBILITY

- Emotional material may arise during or after the session, and this is a natural part of reflective and meditative work.
- You take personal responsibility for your emotional well-being during and after the session.
- The facilitators and mediators are not licensed therapists — their role is to hold a supportive meditative space.

8. NO GUARANTEED OUTCOMES

Hanuman Healing makes no guarantees, promises, or warranties regarding the results of participation. Outcomes are entirely subjective and vary from person to person. No representation is made that this practice will cure, treat, prevent, or alleviate any physical, mental, emotional, or spiritual condition.

9. RELEASE OF LIABILITY

- By signing this form, you agree to release, discharge, and hold harmless the Hanuman Healing facilitators, mediators, organizers, and hosts from any and all claims, demands, damages, or liabilities arising from your participation.
- This release includes emotional responses, decisions based on insights, physical discomfort, or any outcome from participation.
- This release does not apply in cases of gross negligence or willful misconduct.

10. RECORDING (OPTIONAL CONSENT)

Certain sessions may be recorded for internal learning and facilitator training only. No recordings will be shared publicly.
